JACKSON[®] SG

Premium Protective Eyewear

The Jackson[®] SG series is the only genuine safety eyewear product available under the Jackson Safety[®] brand. Designed with the wearer in mind, this premium product offers outstanding comfort, fit, style, and durability. Available in a variety of frames and lenses, the Jackson[®] SG family of products is the clear choice in eye protection.

- Introducing the all new JACKSON[®] SG series, a premium eye protection product offering outstanding fit, comfort, protection, style, and durability
- Specially designed to offer maximum eye coverage and protection, incorporating a variety of lens shades and coatings
- Made with premium virgin polycarbonate high impact, optically correct wrap style lenses, providing 99.9% UV protection
- Soft temples are curved inwards from front to back to ensure a super comfortable, slip-resistant fit
- As an added advantage, the temple tips are extremely flexible, further ensuring a snug fit while relieving any undue pressure to the user—these glasses are extremely comfortable and stay on during use!
- Frames have been developed using a specially formulated ultra-flexible, ultra-strong base material that provides incredible durability, significantly reducing breakage—check and compare!
- The lightweight frame includes a soft non-allergic nose pad for maximum comfort and fit
- Each safety glass comes complete with a convenient neck strap—no more misplaced or lost glasses!

Frames are lightweight for all-day comfort

Specially formulated ultra-strong material provides unmatched durability and toughness

All models come complete with a convenient neck cord to prevent loss

Provides 99.9% U.V. protection

Soft nose piece offers superior comfort

Variety of styles available for maximum safety and productivity

Soft touch temples are slip resistant and provide comfort for hours on end

Wraparound-style lenses extend protection to the periphery

All standard packs of 12 come with an attractive ready-to-use retail dispenser box
